How much does Sclerotherapy pay ?

Sclerotherapy is very rewarding. Let's look at samples you could charge for each therapy session, depending on your geographical location. Reimbursements shown are from MEDICARE reimbursement rates, determined by zip codes (for your specific zip code go to our web site). Cash column is determined by increasing Medicare rates by 25%. In many instances cash or standard prices are 100% more than Medicare rates.

REIMBURSTMENT FROM SCLEROTHERAPY

State	Zip	City	Medicare	Ins /Cash
Florida	33182	Miami	\$ 187.42	\$ 234.27
N. Carolina	28204	Charlotte	\$ 161.84	\$ 202.30
New York	11415	Queens	\$ 205.47	\$ 257.14
Minnesota	55401	Minneapolis	\$ 169.57	\$ 211.96
Texas	77201	Houston	\$ 177.83	\$ 222.28
Washington	98101	Seattle	\$ 169.56	\$ 211.96
California	90012	L.A.	\$ 192.59	\$ 240.73

First Visit	National Average = \$ 878.00
Cost per therapy	National Average = \$ 180.61
Number of therapies	National Average = 12
Total therapies per patient	National Average= \$ 2167.61

National Average per Patient = \$ 3,040.00

Columns Represent
% of Growth,
from prior years

SCLEROTHERAPY RATE OF GROWTH

Another important factor to consider is the rate of growth for this type of procedure. Above is the trend for Sclerotherapy in the last 3 years and when you consider the coming of age for the baby boomers, it's bound to bring an enormous demand for this service.

DOCTORS MANUAL

This 425 page manual that covers all a doctor needs to know, in order to successfully implement Sclerotherapy Procedure in his/her office or center.

The methodology presented is based on the practical and objective experience of numerous doctors, therapists and administrators whom have been dedicated exclusively and entirely to the treatment of varicose veins for more than 26 years, having treated thousands of patients of all nationalities and ethnicities in the U.S

All the elements, techniques, and protocol involved in Sclerotherapy, is explained via the Sclerotherapy

Cycle ten step graphic.

All elements and phases of Sclerotherapy are broken down both from a medical and managerial point of view.

Each chapter/step constitutes a milestone within the Sclerotherapy cycle. Chapters are presented in the same logical order in which the task occurs when treating a patient's varicose disease.

Checklist are provided to establish a communication interface between all personnel involved doctors, nurses, therapists, and administrators. This system will guarantee you will be able to truly learn Sclerotherapy, form A to Z

After purchasing the manual(s) if you feel you may need to expand your understanding of this technique, you have the opportunity to enroll in one of our Sclerotherapy Courses; On-Location, Online-Live, Online-On-Demand. Each course is taught by personnel whom actively practices Sclerotherapy. Thus you have the advantage to network and share your con-

RN MANUAL

Sclerotherapy Manual for Nurses has been prepared especially for Nurses. As with the doctor's manual the Sclerotherapy Cycle is divided in 10 Step.

Each step of the Sclerotherapy Cycle is examined and broken down for the need of each professional, Each chapter/step is presented in the same logical order in which the task occurs when treating a patient's varicose disease.

All elements and phases of Sclerotherapy are broken down both from a medical and managerial point of view. This system

will guarantee you will be able to truly learn Sclerotherapy, form A to Z

This book has been tailored to summarize the RN responsibilities. Checklist summarizing the RN's responsibilities can be is found at the end of each chapter.

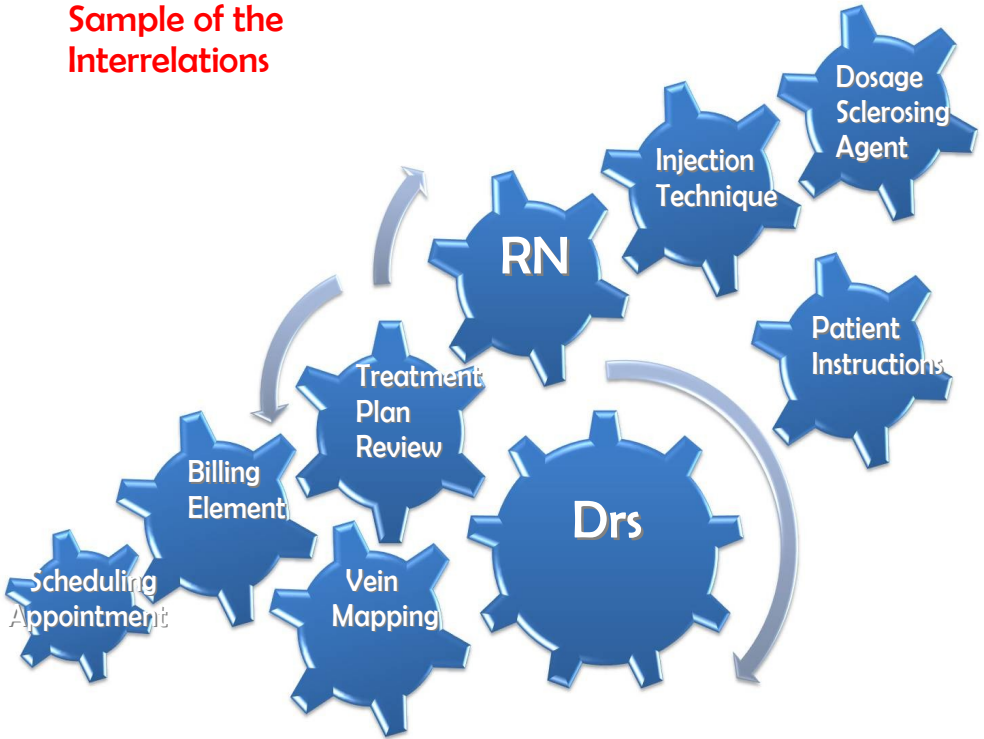

The methodology presented is based on the practical and objective experience of numerous doctors, therapists and administrators whom have been dedicated exclusively and entirely to the treatment of varicose veins for more than 26 years, having treated thousands of patients of all nationalities and ethnicities in the U.S More than a book it is a procedural manual which brings to you the Methodology or Medical Protocol in Sclerotherapy.

After purchasing the manual(s) if you feel you may need to expand your understanding of this technique, you have the opportunity to enroll in one of our Sclerotherapy Courses; On-Location, Online-Live, Online-On-Demand. Each course is taught by personnel whom actively practices Sclerotherapy. Thus you have the advantage to network and share your concerns with other professionals in Sclerotherapy doctors, nurses, and Sclerotherapist.

Interrelation Between DR & RN

This a practical Manual and it show the interrelations between Dr, RN and the different Task

Sample of the Interrelations

These manuals will give you guidance every step of the way

Cost \$ 375

Only for the Cost of 2 Therapies)

SCLEROTHERAPY SEMINARS

All of our Sclerotherapy training is based on one of Crown Medical's Sclerotherapy Manuals. We Offer different types of course or seminars formats for your convenience.

You could select any type of format that is best for your in the time you require to learn Sclerotherapy. We offer 3 different type of seminars formats in one day seminars as well as five day comprehensive courses. Therefore you have to select 1 out of 6 possible combinations, for your Sclerotherapy Training Needs, however, each course/seminar ensures all elements and phases of Sclerotherapy are covered, of course, with different levels of detail.

The objective of all Courses is to go through the complete Sclerotherapy cycle and provide you with the comprehensive training you need to implement a successful Sclerotherapy practice, The one day seminar is designed for those with experience, The five day course is for those starting Sclerotherapy and wish to obtain an in-depth study of all details of the Sclerotherapy process, Depending on the level of expertise you may have, select the appropriate training option for you.

TYPE OF FORMATS

Type of Seminars

1 On Location (Traditional methods)

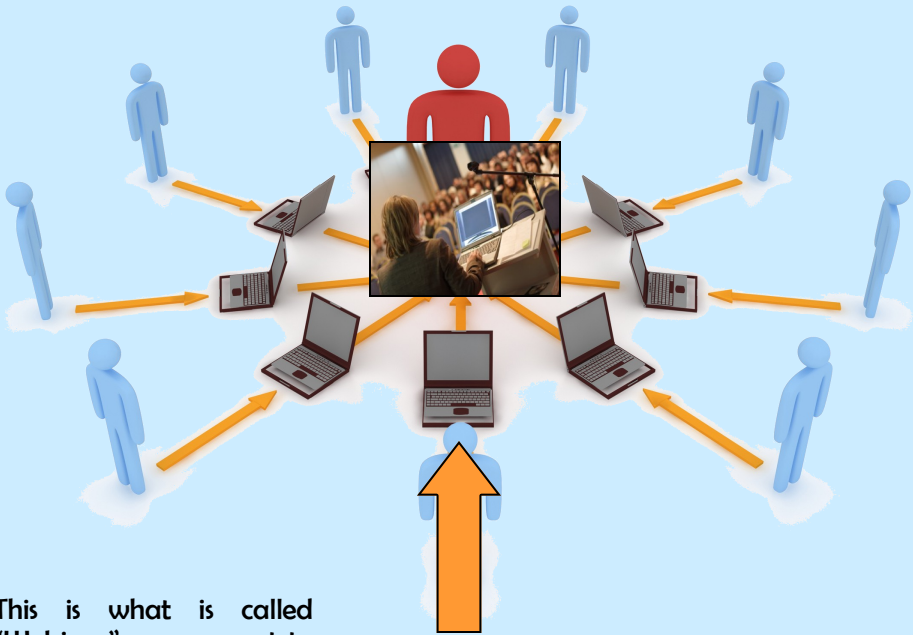

On location course are given, usually in Orlando, Disney World, or and International Course, the objective is that the Dr or RN can double up a Family vacation and training, Program training days are one more day, the One day course converts to a two day, the 5 day to a 6 day because we cut some hours so that you can also enjoy a family vacation. However each course/ seminar ensures all elements and phases of Sclerotherapy are covered, in the level of detail selected.

The objective is to go through the complete Sclerotherapy cycle and provide you with the comprehensive training you need to implement a successful

SEMINARS FORMATS

2

On Line Live , or “ Webinar”

This is what is called “Webinar” you connect to a seminar live, with a live professor using your computer, we give you access to see our webcasting,

It looks and feels like a normal seminar, but from the comfort of your home or office, you can ask question to the professor live, it is like a normal conversation, so that you

can be in the classroom without the traveling expense, it is very practical you will have the same course as if you were there, as a matter of fact some times we transmit, these type of seminar from the seminars on location others form the classroom at Crown Medical Centers

SEMINARS FORMATS

3

On Demand Seminars

You will receive a normal standard seminar the same one as live, Which you can request on demand, It works just like the TV cable Co. or satellite dish does with a movie

It looks and feels like a normal seminar, but from the comfort of your home or office. This type of seminar is ideal for those who have a difficult schedule or night hours

On Demand does not mean you are alone, You could also ask question to the professor, vial email, when there is a subject you wish clarification on.

This type of seminar also includes the ability for you to exchange with the professor or other students via special programmed blogs of CopaVin.

You could also get the option to talk to the professor live via phone, , within the time frame permitted by the seminar for this activity.

CopaVin Sclerotherapy Training Program, make this option a very good and special giving the student lots of advantages, so that you can feel that you are in the classroom, without the traveling expense, without missing work, and at your own time.

it is very practical option, you will have the same course as if you were there, live, as a matter of fact some student like it better than live because they could "rewind" and hear again what the professor said or did, , You can stop it at your convenience and go to the bathroom , or continue the class at your discretion. An open class room 24 Hr a Day.

CALCULATE YOUR

DETERMINE YOUR NEW INCOME FROM SCLEROTHERAPY

1

Determine reimbursement amount in your geographical area. National average is \$ 180.61.

2

Determine how many new patients with varicose veins you plan to see on a monthly basis, (first time visits).

3

Now multiply the average number of treatments per patient (which is approximately 12 to be conservative).

Number of Treatments : 12 X Number of Patients per Month : _____ = _____

4

Multiply the above number of treatments performed on a monthly basis by 12 months.

Total monthly treatments : _____ X 12 Months = _____

Calculate

Multiply the above number of treatments you will perform on a yearly basis by the Reimbursement of each

Total Yearly treatments : _____ X 180.61 average = _____

YOUR NEW INCOME FROM SCLEROTHERAPY

TESTIMONIALS FROM YOUR COLLEAGUES

Crown Medical conducts post seminar surveys in order to maintain the utmost quality in our courses, and incorporates any and all suggestions that may arise. We conducted these surveys by groups in three phases, immediately after the seminar, six months after, and a year after. These are some of the most typical comments expressed by our students:

COMMENTS

"I can't believe I didn't do this sooner; I've missed out on a lot of time with my family, and money".

"I didn't know you could bill Medicare and some insurance companies."

"After I took all the courses on performing Sclerotherapy, my life changed for the better."

"Where were you guys? My only regret is not having done this course before"

"I wish all my returns on investments were as solid as my decision to take your course. Thank you to Dr. Mason and Crown Medical"

Sclerotherapy Seminar @ Florida International University

"I was thinking this course would be the same as all other CME's, but Crown Medical made it easy and interesting. I found the practical application and teaching methods to be very helpful." Impressive.

"As an RN I'm glad I took this course it has opened many doors for me". Now I have many Doctors call me to work for them. They want my Sclerotherapy expertise"

"Thanks for the class. As a Physician Assistant I can't believe I didn't take it before. It was 100% better than I thought, not only because of the presentations and materials but the didactics as well, you can tell the experience the professor has"

"The only regret I have is not bringing my staff with me to the course, But now since everybody is trained, I can go on vacation and relax"

Questions & Answers

Q.- Why should I choose Crown Medical ? We are the only major educational institution that is exclusively specialized in Sclerotherapy, and Sclerotherapy alone. All our efforts are concentrated

exclusively to these procedures.

Q.- Who can attend? Any Licensed Medical Doctors, Residency Students, Physician Assistants, Nurse Practitioners, Registered Nurses DPM, and International Doctors or Nurses, who's license are recognized by the US embassy.

Q.- Who teaches the course? All of our courses are taught by Doctors, whose sole practice is Sclerotherapy and Sclerotherapy alone.

Q.- How long has Crown Medical been in Business? We bring to you our 26+ years of experience performing Sclerotherapy. The "real hands-on" experience.

Q.- To start a practice, what equipment is needed, what is the projected start up cost? Don't worry. Our Business Course thoroughly reviews this and many other elements associated with opening and operating a new Sclerotherapy center.

Q.- Will I get Continuing Medical Education Credits? It depends, Crown will provide (CME) for each course through Joint Sponsorships with different organizations such as the American Academy of Family Physicians (AAFP), American Medical Association (AMA), State Medical Associations, or the American Sclerotherapy Association (ASA), depending on location and amount of credits needed.

Q.- Are courses taught in SPANISH ? Our International Division also gives these course in Spanish and German.

Q.- Are Simulcast Courses accredited? There is no difference between our Simulcast and in-class courses.

Q.- How accurate is the Income Calculator? Our calculator is accurate and based on the Medicare CPT code in your area with the National average of 12 therapies per patient. Private or Insurance patients traditionally pay a higher premium. Just one or two patients will cover your expense of our course, that's why we recommend the inclusion of a staff member to complete the course, which will assist you performing the treatment while you are continuing your regular practice.

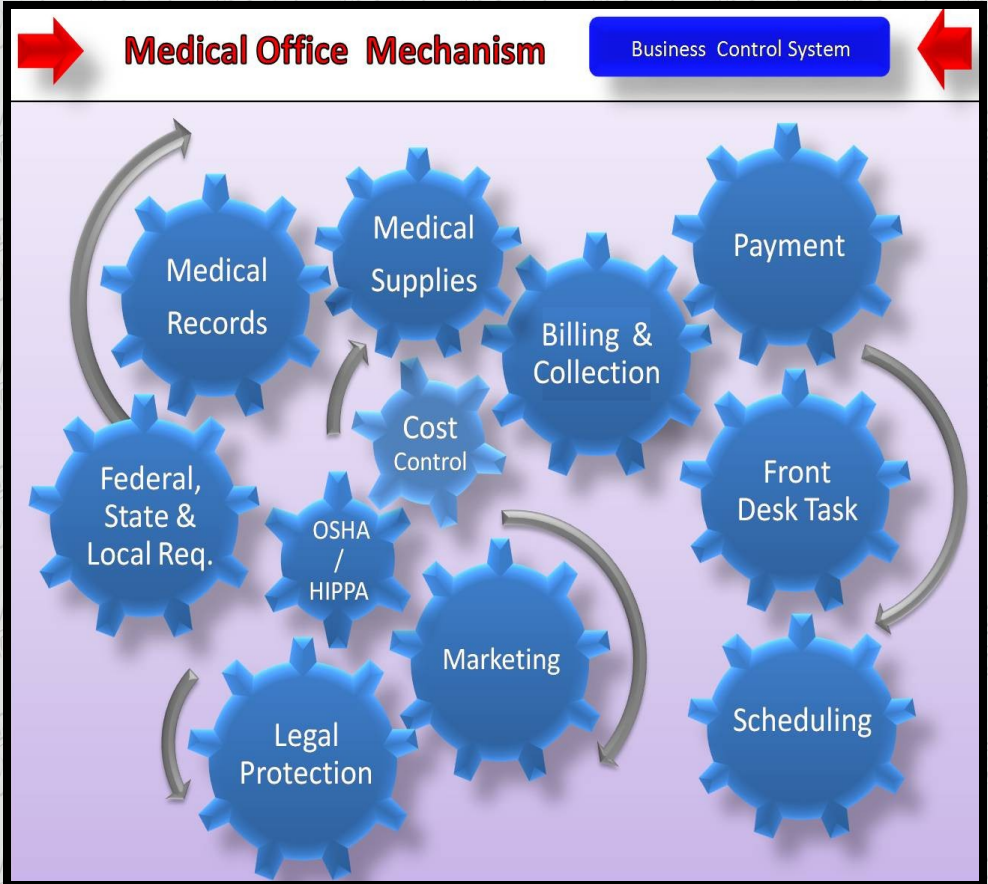

Q.- Can I get Support after successfully completing the course? Absolutely, you have with us the via to obtain direct consultation in any phase of Sclerotherapy implementation we support all our former students.

Q.- How can I save the most? You can save the most by registering for the Online on Demand course, which also includes talking to the professor Live, but in the comfort of your Home and at your discretion

For any other questions, please go to our web site and click on our [Contact Us Page](#) and e-mail us your question(s). We are here to help you.
